

ALIBIS

The BEST ALIBI a man can have in the world is a

WOMAN

Just one of these supplies you with cover for doing the craziest things imaginable. They provide, for instance, the only possible justification for getting married.

Advantages:

- (1) Photogenic.
- (2) Very comfortable on the lap, depending on weight.
- (3) Can probably cook better than you can.
- (4) The best ones provide excellent long term cover (but see Judges 16:4-22).
- (5) Fully mobile.

Disadvantages:

- (1) Expensive, especially if they want to wear clothes.

USEFUL TIP, bimodally applicable:

HANDLE WITH CARE (this may take a lifetime's practice, but is well worth it in both cases).
